"Women in Construction ... You Betcha!"

Happy April - Message from Metro's PWB Committee

Council Chair Linda Garvey of Coppola Brothers LLC:

Happy Spring! It has been a busy month or so for the PWB team. We have been attending Metro events as well as hosting our own program on March 7th with great success. We had

the opportunity to mix and mingle spending some one-on-one time in small groups getting to know each other better through "**Speed Networking**".

We will be hosting our next **Happy Hour on Tuesday, May 2nd from 4:00 to 6:00 PM** back again at **Seasons 52**. We will be having an "**Educational Forum**" discussion

learning from one another (Metro members and any guests that attend), these are the proposed questions:

- What types of marketing are you finding successful to have potential clients contact you?
- What are you finding are the current trends and requests from clients in your industry?
- What are some of the obstacles you are having and how are you pivoting to help with your business to move forward?
